

Start declaration form

We, the Skipper..... and
Crew.....of the boat,
hereby certify that we accept and assume full liability for any damage and accident
which may occur due to the boat's condition or any equipment on board, that we
have noted the contents concerning competitors' liability and that both we possess
the necessary qualifications, ability and navigation skills to take part in the Stockholm
Archipelago Raid.

We hereby release the organizers, the Race Committee and any other individuals
participating in the organisation of the event from liability.

We also certify that we have the *equipment required to race* as defined in NoR.

On each crew member at all times during races:

- 1 dry suit
 - 1 mobile phone in waterproof pocket.
 - 1 Life jacket and whistle
 - 1 red hand-held flare attached to life jacket
 - 1 knife attached to life west
- or**
- 1 knife attached to boom and 1 on the Dolphin striker.

On board the boat

- 1 red parachute flare (check validity date) attached under trampoline or on
either beam for easy access when boat lies upside down.
- 1 towing line, minimum 12m * 8 mm with stretch (not a halyard or similar).
When many boats are towed it can damage the boats if there is too little
stretch.
- 1 paddle, at least 120 cm, for example attached to boom using shock cord
- 1 First aid kit in a waterproof bag available on trampoline or in pocket.
- 1 "waterproof" VHF (preferably also in dry bag) in trampoline pocket, lower
part of mast or similar to be accessible also when capsized.
